Our Package prices above include the transport charge as well as the labour charge for events finishing up to and including midnight. Additional labour charges may be incurred for events that finish later than midnight. Additional labour charge will depend on the specification of the event.

If you would like us to put a bespoke quotation together for you, that includes elements that are perhaps not in the wedding package for example, we will be very happy to design a completely bespoke proposal that is in keeping with your individual budget and requirements.

If your wedding finishes after 12 Midnight there will be an additional Late Technician Fee of £200.00 + VAT.
